MAHARAJA SIR RAMESHWAR SINGH OF DARBHANGA UNIVERSITY LIBRARY.

Babu Joykissen Mookerjee, of Ooterpara, made a donation of Rs. 5,000 to the University, on the 20th July, 1869, for the purpose of forming a Library. The amount was invested in 4 per cent. securities till the completion of the University building.

In 1874, the sum of Rs. 3,500 was added to the Library Fund from the surplus income of the University of that year; and the Syndicate, having thus at their disposal more than Rs. 9,000, appointed a Committee to report on the steps it was advisable to take to form a Library. The Committee reported (see Minutes, Vol. XVIII, page 22) that they thought "it desirable to begin with procuring such books as shall render the Calcutta University Library *Supplementary to other Libraries now existing in Calcutta*" The general principles laid down by the Committee, and the mode of procedure they proposed for adoption, were approved by the Syndicate; and further transfers have, from year to year, been made to the Library Fund from the surplus income of the University. Several instalments of books have been received, and the Library now contains besides English works of reference, and the chief authorities on Indian antiquities, fairly complete sets of the Sanskrit, Arabic, Latin, French and German classics.

In 1908 the Hon'ble Sir Rameshwar Singh, K.C.I.E., Maharaja, Bahadur, of Darbhanga, made over to the University a sum of two and a half lacs of rupees for the erection of a building in which the Library might be located. This munificent gift was accepted by the Senate with thanks, and it was decided to name the Library after the Maharaja, who was subsequently nominated an Honorary Fellow for life as an eminent benefactor of the University.

The following Rules have been approved by the Syndicate :—

RULES FOR THE MANAGEMENT OF THE UNIVERSITY LIBRARY UNDER SECTION 5, CHAPTER XXVIII OF THE NEW REGULATIONS.

1. The Library is for the use of Resident Fellows of the University and of Resident Registered Graduates, and they alone have the privilege to use it, subject to the present rules and to such further rules and orders as may be agreed to by the General Committee under Regulation 5(1).

2. (a) Persons who are neither Resident Fellows of the University nor Registered Graduates may receive special permission from the Syndicate to use the Library for the purpose of Literary or Scientific Research. Such permission will be granted only on the recommendation of the Executive Committee.

(b) In recommending any person to the Syndicate under this rule the Executive Committee shall specify in writing, for the information of the Syndicate, the grounds on which they base their recommendation.

3. Subject to the exceptions specified in Rule 5, Resident Fellows, Resident Registered Graduates and such other persons as are allowed to

make use of the Library under Rule 2 and who reside at Calcutta, may borrow and temporarily remove from the Library such books as they may require on the following conditions:—

- (a) In this rule the term "volumes" shall include pamphlets and parts of works separately sown.
- (b) Resident Fellows will be entitled to take out up to ten volumes at a time.
- (c) Under special circumstances Resident Fellows may, with the sanction of the Executive Committee, take out more than ten volumes.
- (d) Resident Registered Graduates will be entitled to take out not more than four volumes at a time, and in order to be allowed this privilege will have to make a deposit of Rs. 25. The Registrar may, in the case of specially valuable books, and with the sanction of the Executive Committee, ask for a special deposit.
- (e) Persons who are allowed to make use of the Library under Rule 2, and who reside at Calcutta, may take out books on the same conditions as Resident Registered Graduates.
- (f) University Professors, Readers and Lecturers will, during the time they hold office, be entitled to the same privileges as Resident Registered Graduates.
- (g) No book shall be issued and delivered except to the authorised borrower in person, or to some one having written authority from him to receive it on behalf of the authorised borrower.
- (h) Every volume borrowed shall be returned to the Library within two calendar months of the date on which it was removed from the Library. In case any borrower fails to return any book within this period, a notice shall be sent to him by the Librarian calling for the return of the book.
- (i) If a book called for under the previous section be not returned within one week after the receipt of the Librarian's notice, the person who has borrowed the book from the Library shall be subject to a fine of one rupee for each volume so retained, and to a further fine of an equal amount for each additional week that he may retain it after the expiration of the second week.
- (j) Subject to the provisions of Rules 4, 5, 6 and 7, a book returned to the Library may be again borrowed by the same person, provided that no other Fellow or person entitled to use the Library has lodged with the Librarian an application for the same work. If such application has been made, the book may not be taken out by the original borrower until returned by the second applicant.

4. The privilege of any Fellow or other person to use the Library shall be suspended so long as he retains any book which, under these rules, he is not entitled to retain, or so long as he leaves unpaid any fine which may have been imposed on him under Rules 3, 6 and 7.

5. (a) Books which are valuable on account of their rarity or which belong to a series and which, being out of print, it may be difficult or impossible to replace if lost, or books required for constant reference, shall not be removed from the Library.

(b) A list of the works excluded from removal under this rule shall be drawn up by the Executive Committee, and will be subject to revision and extension from time to time.

6. (a) The Librarian shall report to the Executive Committee all cases in which books have been mutilated, disfigured by writing on the margin or otherwise injured while in the possession of readers.

(b) Any person guilty of such an offence shall be required to replace the injured by an uninjured copy of the book, and shall be liable to the cost of its proper binding and other charges. Further, he shall be fined and suspended from the privileges of the Library at the discretion of the General Committee.

7. (a) A general inspection of the Library and of the record of books issued and returned, shall be made annually in the first week of April by the Executive Committee, or by one or more members of the Committee deputed by them for that purpose.

(b) During this period of inspection the Library shall be closed, and all books whatever and by whomsoever borrowed shall be returned to the Library by the 31st March of each year.

(c) Any person who fails to return, in accordance with this rule, all books borrowed by him shall be subject to a fine of not less than two rupees for each volume retained; and if such volume is not returned before the expiration of one week after the last day of inspection, a further fine of an equal amount shall be imposed for each volume for each additional week until that volume is returned or until a copy of the same edition and of equal value is placed in the Library in its stead, and all expenses connected therewith paid by the borrower.

8. The Library shall be closed on Sundays and all public holidays and on all days for holding public examination. Subject to the exception under Rule 7, it shall be open on other days between the hours of 11 A.M. and 5 P.M.

JUBILEE POST GRADUATE SCHOLARSHIPS AND JUBILEE RESEARCH PRIZES.

JUBILEE POST GRADUATE SCHOLARSHIPS.

The following scheme for the institution of scholarships for post graduate study or research in Literary or Scientific subjects, framed under section 18, Chapter IV of the new Regulations, has been adopted by the Senate :—

1. For the encouragement of post-graduate study in accordance with the new Regulations, in the Faculties of Arts and Science, twelve University Scholarships shall be established.

2. Each scholarship shall be of the value of Rs. 32 per month, and shall be tenable for a term of two years.

3. The scholarships shall be awarded annually upon the results of the B.A. and B.Sc. Examinations.

4. One scholarship shall ordinarily be awarded to each candidate whose name stands first in the Honours list in each of the subjects for the B.A. and B.Sc. Examinations, provided that—

(i) he has obtained first-class Honours in that subject.

(ii) he does not accept any other University scholarship, or any Government or College Scholarship, and

(iii) he undertakes to prosecute a regular course of study for the degree of Master of Arts or Science either under one or more University Lecturers or in a College duly affiliated for the examination in the subject which he takes up

No candidate, however, shall be entitled to more than one scholarship on the ground that he stands first in the first class in more than one subject.

5. If a candidate in any subject is disqualified under provisos (ii) and (iii) of Rule (4), the scholarship in that subject shall be awarded to the next candidate in the first class who may be duly qualified, provided that all the other candidates who stand first in the first class in any subject and are qualified for a scholarship have received the same.

6. If in any year the number of candidates qualified for a scholarship under the preceding rules exceeds the number of scholarships available, the Syndicate may, with the sanction of the Senate, award additional scholarships

7. A candidate who obtains Honours at the B.Sc. Examination under the old Regulations will be deemed to have obtained first-class Honours in a subject within the meaning of Rule (4), provided he has obtained a first-class in subject (II) or in any two subjects taken together from among subjects III to IX (Secs. 6 and 7 of the B.Sc. Regulations, Calendar for 1906, p. 58).

8. As a condition of the continuance of his scholarships, each scholar must produce at the end of every three months from the University Lecturer whose classes he is attending or from the Principal of his College

certificates of good conduct, diligence and satisfactory progress in his studies.

9. The first award of the scholarships shall be made upon the results of the last B.A. and B.Sc. Examinations.

JUBILEE RESEARCH PRIZES.

1. In commemoration of the Jubilee of the University, prizes shall be instituted for the promotion of research by its graduates.

2. Out of the University Reserve Fund, a sum of Rs. 30,000 (thirty thousand) shall be set apart and called the Jubilee Research Prize Fund.

3. Out of the income of the aforesaid Fund, two prizes shall, ordinarily, be awarded every year. Each prize shall consist of a gold medal of the value of Rs. 150 and a sum of Rs. 350 in cash.

4. One prize shall be awarded for Research in Arts subjects and another for Research in Scientific subjects. The Arts subjects include Literature, Oriental languages, Philology, Archaeology, History, Economics, Philosophy, and cognate branches of knowledge. The Scientific subjects include Pure and Applied Mathematics and the different branches of Natural and Physical Science.

5. Not later than the 1st of March in every year the Syndicate shall invite the Members of the Senate to make suggestions with reference to definite problems which they consider to be suitable subjects for investigation, such suggestions to reach the Registrar not later than the 31st of May. It shall be the duty of each Member who makes suggestions to show that it is possible to carry out the suggested research with the means available in this country. Not later than the 30th of June in every year the Syndicate shall determine and announce two subjects, one in Arts and one Scientific in which prizes shall be awarded in the second year following that in which the announcement is made. The announcement shall specify as accurately as practicable the particular problem or class of problems in which Research is invited.

6. The prizes shall be open to all persons who have at any time been admitted to a degree in this University.

7. Every thesis shall be sent privately to the Registrar not later than the 30th June in the year next but one succeeding that in which the subjects are announced. Every thesis shall bear a motto but not the name of the candidate, and shall be accompanied by a sealed envelope bearing the same motto outside and, containing inside the name and address of the candidate.

8. Every candidate shall indicate generally in a proface to his thesis and specially in notes, the sources from which his information is taken, the extent to which he has availed himself of the work of others and the portions of the thesis which he claims as original: he shall further state whether his research has been conducted independently, under advice, or in co-operation with others, and in what respects his investigations appear to him to tend to the advancement of knowledge.

9. As soon as may be after all the theses have been received, the Syndicate shall have them adjudged by Boards of Examiners; there shall be one Board for the theses on the Arts subjects and another for those on the Scientific subjects. It shall be an instruction to the Boards not to recommend any thesis for a prize unless it exhibits a sufficient standard of excellence.

10. Not later than the 30th September in every year, the Syndicate shall, upon the reports of the Boards (which shall be published in the Minutes) award the prizes.

11. If, in any year, it is reported that there is no thesis worthy of either of the prizes, the prize shall not be awarded, and a prize not so awarded may, at the discretion of the Syndicate, be awarded in the same or in any subsequent year to the author of a thesis upon any subject which may be declared worthy of the prize by the Board of Examiners.

12. Any Board of Examiners shall be at liberty, in recommending a particular thesis for a prize, to include in their reports the names of any other theses which, in their opinion, deserve considerable praise or commendation.

13. Every candidate shall be at liberty to publish his thesis and the thesis of every successful candidate shall be published by the University. The Syndicate may also, at its discretion, publish any thesis which has been specially commended.

14. The first announcement of the subjects for the prizes shall be made before the 30th June, 1908, and the first award shall be made not later than the 30th September, 1910.

V.

ENDOWMENTS.

PREMCHAND ROYCHAND STUDENTSHIPS.

Premchand Roychand, Esq., of Bombay, in a letter to the Government of India, offered to make a donation of two lakhs of rupees to the Calcutta University, and on the 9th February 1866, paid over this amount to the Government of India, to be transferred to the University and held by it as a Body Corporate under Section 2 of Act II. of 1857. Mr. Premchand Roychand further expressed a hope "that the money should be devoted to some one large object or to a portion of some large object for which it might in itself be insufficient."

The Senate, at a meeting on the 21st July, 1866, accepted Mr. Premchand Roychand's munificent donation, and directed that it should be invested in 5 per cent. Government Securities. The Senate, at a meeting on the 31st December, 1892, sanctioned the following plan for appropriating the proceeds of the donation :

1. Five Studentships of Rs. 1,600* a year each, to be called the Premchand Roychand Studentships, shall be maintained on the interest of the endowment.

2. Any graduate of the University of Calcutta, who has been admitted to the degree of Master or Doctor in any faculty, shall be eligible for only one of these Studentships during twelve years from the time that he passed the Entrance Examination.

Each studentship shall be tenable, in the first instance, for two years, during which the student will be expected to carry on some special investigation or work in the subject or subjects in which this studentship was awarded. The Studentship shall be extended for a further period of three years provided the student satisfies the Syndicate that he has carried out such investigation or work, and he continues it during this further period. At the end of each year after the first year, the student shall submit to the Syndicate report of the work in which he has been engaged during that year.

4. One election shall be made annually after examination, provided any one candidate be declared by the Examiners to be entitled to a Studentship. Should the Examiners in any year report that no candidate has, in their opinion, shown sufficient proficiency to entitle him to a Studentship, it shall be competent to the Syndicate to award the vacant Studentship in any subsequent year.

5. The Studentship shall be awarded in alternate years in Literary and Scientific Subjects.

The Literary subjects shall be as follows :—

(1) One of the following languages :—

English.
Sanskrit.

|

COMMERCIAL DEPARTMENT.

303, BOWBAZAR STREET.

1. *Courses of study and delivery of lectures.*—Arrangements are made for instruction and examination in two different courses of study—one to be a complete course every part of which shall be obligatory, and the other to consist of a series of lectures or classes all or any of which may be attended at option. The lectures in the former course are delivered during the day while those in the latter are delivered in the evening only.

2. *Day Course.*—The following are the subjects prescribed for the day course :—

- (i) English (modern), and especially English correspondence, including commercial correspondence, letter drafting and *précis*-writing ;
- (ii) arithmetic, including commercial and mental arithmetic ;
- (iii) one of the following languages, namely, Bengali, Hindi, Urdu, Uriya, French, German or Latin.
- (iv) one of following subjects, namely, book-keeping, shorthand-writing or typewriting ; and
- (v) commercial history and geography.

The course extends over a period of two years, at the end of which an examination is held in the prescribed subjects, in all of which the candidates are required to pass. No candidate is allowed to pass unless his answers on every subject are written in a good, legible handwriting.

3. *Evening Course.*—The following are the subjects prescribed for the evening course :—

- (i) outlines of political economy ;
- (ii) banking and currency ;
- (iii) commercial and industrial law.

- (iv) annuities and insurance ;
- (v) book-keeping ;
- (vi) shorthand-writing ;
- (vii) typewriting ; and
- (viii) English (modern).

In these subjects special examinations are held, candidates being allowed to take up each separately and to obtain certificates of having passed in it.

4. *Award of certificates and publication of results.*—Certificates are awarded by the Education Department to students passing the examinations, and require endorsement by the Secretary to the Bengal Chamber of Commerce, and lists of successful candidates, without classification, are published by that Chamber and by the Bengal National Chamber of Commerce.

5. *Admission.*—There is no age-limit for candidates for either course.

Candidates who have passed the "C class" Examination of High Schools or the Entrance Examination are eligible for admission to the day course, but others are admitted only if they satisfy the Education Department, by passing a preliminary test-examination of a similar standard, that they have sufficient general education to enable them to derive advantage from the lectures. Candidates who have not attended the lectures in the day course are allowed to compete at the examination only if they have passed the Entrance or the "C class" Examination or satisfied the Education Department, by passing a preliminary test-examination, that they have a reasonable prospect of success. The form of certificate which is issued to students who have passed this examination, as laid down in paragraph (2) above, shows whether the student has passed the "C class" or Entrance Examination or not, and also whether he has duly attended the lectures prescribed for the day course. Those only who have passed the "C class" or Entrance Examination, and after attending the full day course of lectures have passed the prescribed examination, are considered to be eligible for the full commercial certificate.

Candidates who have attended the lectures in the day course are eligible for admission to the evening course and allowed to compete at the examinations ; but others are admitted and allowed to compete only if they satisfy the Education Department by passing a preliminary test-examination that they have a reasonable prospect of success, as the case may be. The certificates issued on the result of the examination in this course, as laid down in paragraph (3) above, show whether the students have attended the lectures prescribed for the day course and have passed such examination, and also whether they have attended the evening course of lectures.

6. *Fees.*—The tuition fee is Rs. 3 per mensem payable for the whole school year for the entire day course, and the admission fee is Rs. 3. A fee of Rs. 3 is payable for each series of fifteen lectures in the evening course on—

- (i) banking and currency ;
- (ii) commercial and industrial law ;
- (iii) annuities and insurance ;
- (iv) English (modern).

The fee for each course of thirty-two lectures on the outlines of political economy is Rs. 5

Hughli College.

AFFILIATED, 1857.

This Institution was founded in 1836, and was originally supported from funds bequeathed by Muhammad Moshin, a wealthy Muhammadan gentleman, who dying without heirs in the year 1806 left his large property, yielding an annual income of Rs. 45,000, to Muhammadan Trustees "for the service of God." Owing to the misappropriation of the funds Government assumed the office of Trustees. The right of assumption was opposed by the original Trustees, but upheld both by the Courts in India and by the Privy Council in England. The period of litigation extended over many years, during which the annual income accumulated, forming a surplus of Rs. 8,61,100. The surplus was devoted to the foundation and endowment of the Hughli College, and was further increased by a portion of the original zemindarce that became available on the death of one of the Mootawalloes of the Hughli Inmambarah, an Institution which also derives its support from Muhammad Mohsin's legacy. The College endowments were further increased by the accumulation of unexpended revenue until the income amounted to Rs. 51,000 per annum. In 1873 the Government of India resolved to transfer the whole of the Moshin endowment to the purpose of Muhammadan education throughout Bengal and accordingly increased the provincial assignment for education in Bengal by Rs. 50,000 a year, in order to meet the expenses of the Hughli College which has now become an Institution maintained by the Government.

The College consists of three Departments,—an English, an Arabic, and a Law Department,—and is under the control of the Director of Public Instruction, Bengal. The English Department is open to all students who have passed the University Entrance Examination, the fees being three rupees per mensem for Muhammadans and Rs. 6 for all others. In the Law Department the fee is Rs. 7 for the 1st and 2nd year classes.

The College will for the present arrange to teach English, Physics, Chemistry and Mathematics for the Intermediate in Science, and for the Intermediate in Arts English, Sanskrit, Logic, History, Persian, Mathematics, Physics, Chemistry and Vernacular Composition.

For the B.A. provision will be made for teaching English, Sanskrit, Persian, Mental and Moral Science, History, Political Economy and Political Philosophy, Mathematics, Physics and Vernacular Composition.

There are Hindu and Muhammadan Hostels connected with the College, the Boarding fee of the former is Rs. 5-8 per mensem, and in the latter Rs. 3-8, subject to enhancement, according to enhanced rates of food articles.

Krishnagar College.

AFFILIATED, 1857.

This College was founded by Government in 1845, and is under the control of the Director of Public Instruction, Bengal.

Any person who has passed the University Entrance Examination may be admitted. Students pay a monthly fee of Rs. 5.

The College is a handsome building, standing upon 3 bigahs of land, surrounded by an enclosed compound of upwards of 100 bighas. It was erected in 1856 at a cost of Rs. 66,876, Rs. 17,000 of which collected by private subscription. In consideration of the liberality thus manifested in the district, the donor of Rs. 1,000 is allowed to place a boy, free of expense at the College in perpetuity, and another for every Rs. 500 additional he may have subscribed. There are thus 13 free-studentships. Part of the ground occupied was purchased by Government; for the remainder, the College is indebted to the munificence of the Maharaja of Nuddea and the Maharani Swarnamayi, C.I., of Cossimbazar.

In 1871, the B.A. classes (the third and fourth year classes) were abolished by Sir George Campbell, then Lieutenant-Governor of Bengal; and for some years the College only afforded instruction up to the First Examination in Arts. In 1875, however, Sir Richard Temple, on the petition of the chief inhabitants of the district, consented to restore the College to its former status, provided that a considerable share of the increased cost was subscribed by the community. A sum amounting to more than Rs. 40,000 was subscribed during the year, and with this endowment the College was re-established on its original footing. Classes for the A course for the B.A. were opened in June, 1888.

A prize of Rs. 80, founded by Babu Mohinimohan Ray, in 1883, and called the Mohinimohan Ray Prize, is awarded annually to the student who most successfully passes the B.A. Examination with Honours, or to a graduate of the College who passes the M.A. Examination in any subject.

Another prize of Rs. 8 founded by Babu Syamacharan Maitra and called "Smith and Macdonell Prize" is annually awarded to the student who most successfully passes the F.A. Examination, and prosecutes his studies for the B.A. Examination in the Krishnagar College.

College Endowment Funds now amount to Rs. 46,000.

There is a Hindu Hostel attached to the College, which is under the direct control of the Principal and is managed by a Superintendent who is also the Gymnastic Master of the College.

V.

Brishnath College, Berhampur.

(Late Berhampur College.)

AFFILIATED, 1857.

The older Gazetteers are unanimous in recording that a "British" College was founded in Berhampur in 1826, but the College, as we know it was opened in 1853. The foundation-stone of the building, one moiety of the cost of which was paid by the community, was laid in 1863, and the building came into use in 1869, when the Institution became a first-grade College in Arts. A Law Department had been added in 1864. The status was, however, reduced in 1872 to that of a second-grade College, and the Law Department was abolished in 1875. The Institution again became a first-grade College with a Law Department attached in 1888. It is open to all classes of the community.

In pursuance of the policy recommended by the Education Commission, and adopted by the Government of India, the Bengal Government decided in 1886 to transfer the Berhampur College to private management. The munificent offer of the late Maharani Swarnamayi, C.I., of Cossimbazar to maintain the College for five years was accepted. Accordingly by a Bengal Government Resolution, dated the 14th May, 1887, the control of the College, administrative and financial, was vested in a Board of Trustees. Since the Maharani's death in 1898, the College has been financed by her nephew and successor, Maharaja Manindra Chandra Nandy. In 1905 the College was handed over by deed of transfer to the Hon'ble Maharaja Manindra Chandra Nandy of Cossimbazar, with a Board of Management consisting of the Maharaja as President, the District Judge, the District Magistrate, and the Inspector of Schools, Presidency Circle, as *ex officio* Members; and Babu Boikuntanath Sen.

The Board of Management has appointed a Committee of Management for the College consisting of its own members and the Principal of the

College; and another Committee for the School consisting of its own members together with the Principal of the College and the Head Master of the School. The Principal is *ex-officio* Secretary to both Committees.

Scholarships.—Three Scholarships, called the *Berhampur College Scholarships*, of the monthly value of Rs. 8 each, tenable for two years in the B.A. classes of the Institution, are awarded on the results of the F.A. Examination to students taking up an Honour Course for the B.A. Examination. The *Kennedy Scholarship* of Rs. 4 a month, founded by public subscription in honour of J. Kennedy, formerly a Collector of this District, is awarded to the successful F.A. candidate from this College who stands next to those obtaining Berhampur College or Government Scholarships. It is tenable for two years in the B.A. classes of the Institution. The *Girish Narayan Ray* scholarship of Rs. 8 a month, founded in 1907 by Babu Girish Narayan Ray, of Lalghola, is awarded to the best Entrance candidate from the Berhampur Centre. Five *Rajib Scholarships* of Rs. 4 a month each, founded in commemoration of the donor, the late, Rai Rajib Lochan Ray, Bahadur, the benevolent dewani of the late Maharani Swarnamayi, are awarded to the first five successful Entrance candidates from the Berhampur Centre. They are tenable for two years in the F.A. classes of the Institution. Three *Exhibitions* of Rs. 150 each are awarded to students of the College taking the B.A. degree with *Honours*. In 1904 the Maharaja founded two *Fellowships* for students who, having taken the B.A. Degree from the College with *Honours*, continue their studies in the Institution for the Degree of M.A.

Medals.—Two gold medals, named after their donors, Babu Bankuntha Nath Sen and Rai Srinath Pal, Bahadur, are awarded to students of this College passing the B.A. Examination with Honours in English and Science respectively. A silver medal, named the *Mackenzie Medal*, founded by late Rai Mukunda Lal Barman, Bahadur, in commemoration of His Honour Sir A. Mackenzie's visit to this District in February, 1898, is awarded to the student who stands highest from this College in the B.A. Examination with Honours.

Free Studentships.—All Government scholars and students holding "Berhampur College" and "Kennedy" Scholarships receive tuition free. A limited number of free and half-free studentships is also awarded to poor and deserving students. Through the liberality of the late Raja Asutosh Nath Ray, of Cossimbazar, the Principal is enabled to provide a few additional free and half-free studentships to the extent of Rs. 36 a month.

Collegiate School.—Connected with the College is a *School Department* teaching up to the Matriculation Standard. The tuition fee in the School ranges from As. 12 to Rs 2-8 a month.

Hostel.—There is a Boarding Establishment attached to the College for the accommodation of Hindu students. The number of students in residence is usually about 125.

The Scholars on the Foundation consist of (1) Full Foundainers, who are entirely supported from the Funds of the School; (2) Demi-Foundainers, who pay a monthly fee of Rs. 16 towards the cost of their maintenance and education.

The Foundainers are chosen from among the Christian population of Calcutta; they must be European extraction, and, at the time of election, not less than six or more than ten years of age.

The General Assembly's Institution, Church of Scotland Mission, Calcutta.

AFFILIATED TO CALCUTTA UNIVERSITY, 1864.

This Institution was established in 1830 by the General Assembly of the Church of Scotland. It is the oldest Institution of the kind in India, for it was here that the system, now all but universally followed, was first tried—of imparting the highest form of knowledge, including Religious Instruction, through the medium of the English language.

The new system was introduced by Dr. Duff, who began his missionary labours by founding this Institution. "Valuable help in the way of procuring pupils was given at the commencement by the well known Rajah Ram Mohun Roy. The success of the Institution soon surpassed all expectations. The Governor-General declared publicly that it had produced "unparalleled results." After having been carried on for some years in various hired premises, the Institution was removed in 1839 to the present building in Cornwallis Square.

The Rev. Alexander Duff, M.A., D.D., was Principal of the Institution, from its foundation until 1843, and the Rev. James Ogilvie, M.A., D.D., from 1846 until his death, in 1871. He was succeeded by the Rev. Robert Jardine, M.A., Ph.D., who retired in 1876. The Principals since then have been Rev. William Hastie, M.A., D.D., the Rev. William Smith, M.A., the Rev. John Morrison, M.A., D.D., and the Rev. A. B. Wann, M.A., B.D.

The General Assembly's Institution is divided into two Departments—the College Department and the School Department.

In the College Department, the students pay a monthly fee of Rs. 5 each. The regular subjects of the Calcutta University curriculum are taught, also the doctrines and the evidences of the Christian religion.

In the School Department, pupils pay fees from 12 annas to Rs. 3 a month. Careful attention is given to instruction in religious knowledge.

A Hostel for students of the College has been built at 71-1, Cornwallis Street, called The Lady Jane Dundas Hostel, after a lady whose legacy of £1,000 left in the hands of the Rev. Dr. MacGregor, Edinburgh, was assigned by him to the Hostel. It accommodates 66 students, who pay from Rs. 13 to Rs. 16 per mensem.

Endowed Scholarships and Prizes.

1. The Macfarlan Gold Medal or Prize of Rs. 50 is awarded every year to the student of the fourth year class who shows the greatest proficiency in English at the B.A. Examination, provided he passes with Honours.

2. The Morrison Prize (in honour of Dr. John Morrison, late Principal)—being the interest of Rs. 1,000, is awarded to the student of the fourth year class who stands second in English from this Institution at the B.A. Examination, provided he passes with Honours. (Amount Rs. 35.)

3. The William Smith Prize, founded in honour of the late Rev. William Smith, a former Principal, is the interest of Rs. 2,000 in books, awarded annually at the University Convocation to the student of the General Assembly's Institution who shall pass the B.A. Examination with highest Honours in Philosophy. (Present worth, Rs. 70.)

Dr. Ogilvie, Principal of the Institution, is awarded every alternate year to the student who passes highest at the F.A. Examination—provided he passes in the First Division. The scholarship is tenable in the General Assembly's College for two years, in the third and fourth year classes.

7. Wilson Fund Scholarships. The Wilson Fund is a sum of £500 left in 1844 by the late Miss Wilson of St. Andrews, Scotland, for the maintenance of two or more senior scholarships. The income is now divided into three scholarships as follows :—

(a) One of Rs. 10 per mensem is awarded every second year, alternately with the Ogilvie Memorial Scholarship, to the student who passes highest in the First Division at the F.A. Examination.

(b) and (c) Two of Rs. 5 per mensem, awarded, one each year, to the student who passes second highest in the First Division at the F.A. Examination, and tenable in the General Assembly's College for two years, in the third and fourth year classes.

The College is under the control of the Director of Public Instruction, Eastern Bengal and Assam.

It is a Government Institution, originally established as a Zila School, in 1836. In 1873, it was raised to a Second Grade College owing to the gift to Government in perpetuity of an estate yielding an annual income of Rs. 5,000 by Rajah Hara Nath Ray, Bahadur, of Dubalhati, and in 1878 it was raised to a First Grade College, the additional expenditure being met partly from the proceeds of an Endowment of one-and-half laes of Rupees created by the Rajshahye Association. Instruction is given up to the standard of the M.A. Examination of the Calcutta University. It was affiliated in Law in the year 1880. The students in the General Department pay a monthly fee of Rs. 3, and those in the Law Department Rs. 5.

One scholarship of Rs. 15 a month, called the K C. Sircar Scholarship, tenable for two years in the B.A. classes of the College, is awarded annually to a student passing the F.A. Examination from any College in this Province or Bengal and reading for his B.A. Degree Examination in this College.

It is awarded to the one who stands highest among the students who pass the F.A. Examination from this College, provided that he holds no other Government or local scholarship. This scholarship is named after the donor's father, the "Ramkumar Free Scholarship."

There are, besides, two scholarships, called the Banamali Julalce Scholarship, named after their donor Rai Banamali Ray, Bahadur, of Tarash, of the value of Rs. 8 a month, tenable for two years at the Rajshahye College. They are open to those students who pass the Entrance Examination from the Pubna Zila School and the Serajgunge H.E. School, and who fail to obtain a Government Scholarship.

Two scholarships named after the donor Rani Monmohini Devi of Puthea, of Rs. 10 and Rs. 8 a month, respectively, tenable for two years, are awarded to students who pass the F.A. Examination of the Calcutta University from any College in Bengal, and who read in the Rajshahye College for the B.A. Degree Examination. One scholarship of Rs. 7 tenable in the first year class and another of Rs. 8 a month tenable in the second year class of the College are awarded to the student passing the Entrance Examination in the first division from the Puthea H.E. This Institution consists of a College and a School. In the College the course of instruction is adapted to the requirements of the University for degrees in Arts and Law; and in the Law Department, students are also prepared for the Pleadership Examination. The College is affiliated up to the standard of the Intermediate Examination in Science, in the subjects of Physics and Chemistry; and up to the standard of the B.A. Examination in those subjects, and also, in English, History, Sanskrit,

The Institution, in its present form at any rate, was the handiwork of Pandit Iswarchandra Vidyasagara. It was the first attempt to impart higher education through a purely indigenous agency, and was conducted in a way that was characteristic. He gave it a costly local habitation and endowed it with a valuable Library and a Laboratory.

Since the death of Pandit Iswarchandra Vidyasagara in July, 1891, the management of the College has changed hands more than once. Since the 1st September, 1896, it has, under an agreement with the Vidyasagar Institute, been vested in a committee called the College Council, composed mainly of Professors of the College.

The annual tuition fee is Rs. 36 for the first year and second year classes of the General Department, and Rs. 48 for the third year and fourth year classes of that Department, and for the Law Classes. Exemption from payment of the full fees is granted in special cases. The fee for admission is generally equivalent to the tuition fee for a month.

Vidyasagar Scholarships payable in the Metropolitan Institution are awarded to deserving F.A. and B.A. students.

This Institution was started as a higher class English School teaching up to the Entrance standard, in the year 1883, by Babu Bissesswar Singh, Zemindar of Kulharya, in the district of Shahabad, and Pleader, practising at Patna. It was founded with the object of a wider diffusion of high English education among the people of Behar, and of bringing it within the reach of men of limited means. The success which attended the first year of the infant Institution encouraged the proprietor to raise it to the status of a College, teaching up to the standard of the F. A. Examination, and it was affiliated to the Calcutta University with the name of the Behar National College in September, 1889.

In the year 1892, this Institution was raised to the B.A. Standard, and a Law Class was added to it in which instruction is given for the Pleader-ship and B.L. Examinations.

In November, 1900, a fund under the name of "Students' Mutual Aid Fund" was started for helping poor students with stipends, books, medical attendance, etc. The expenses are met by subscriptions from Students, Professors, and the Proprietor of the College, and from such outsiders as have sympathy for the movement.

The Central College, Calcutta.

AFFILIATED, 1896.

This Institution was founded as a Higher Class English School, under the name of the "University Institution," on the 2nd June, 1893. The name, however, was shortly changed, and the Institution was recognised by the University of Calcutta under the name of the "Central Institution," which was altered again in 1896, into the one it at present bears. The unexpected success of the school, within a short period of its starting, and the connection of a number of experienced educationists with its teaching staff, led to its being raised to the status of a Second Grade College in June, 1894.

The results for 1895, both at the Entrance and F.A. Examinations having still further improved the prospects of the Institution, an application was made for its affiliation up to the B.A. Standard of the University, and it attained to the status of a First Grade College in January, 1896, and completed the full period of five years for which it was stipulated to be maintained under a certain constitution, in June, 1901.

The Institution is not supported by any private subscription or other aids, and its proprietary rights are absolutely in the hands of its founder, Babu Khudiram Bose.

Since the enforcement of the New Regulations of the University, the management of the College and the Collegiate School has been

vested in a regularly constituted governing body, with Babu Chandra Nath Bose, M.A., B.L. (*President*), Babu Shama Charan Ganguli, B.A., and S. P. Sarbadhicary, Esq., M.D. (*Vice-Presidents*), C. H. Linton, Esq., M.A., and Babu Jodu Nath Ghose, B.L. (*Members*), and the Principal of the College (*Member and Secretary*).

The object of the Institution is to provide an Unaided College in the northern part of the city for students of moderate means and resources, combining physical and moral training with the type of intellectual training adapted to the requirements of the University. Attention is paid to proper enforcement of discipline by precept and example, and examinations and exercises are held frequently, both in the School and College Departments. Both the third year and fourth year B.A. classes have been at work since June, 1896, several among the many graduates from this Institution have graduated with Honours in the course of these years; and the percentage of F.A. successes for 1907 has been exactly 50, and that of B.A. (*A Course*), close upon that figure. Monthly returns, showing the progress and conduct of the pupils in the School Department, are sent to the guardians, whose suggestions in this connection are cordially received.

The rate of monthly tuition-fee in the College Department B.A. classes is ordinarily Rs. 4; in the F.A. or Intermediate in Arts and the higher classes of the School Department, Rs. 3; in the lower forms, Rs. 2-8 and Rs. 2; and in the Infant Department, Re. 1. The fee for admission to any class of the School Department is equal to a month's tuition-fee for the same.

A number of scholarships named "Diamond Jubilee Scholarships," "P. K. Lahuri Scholarships," to be awarded annually to such students of the Institution as would pass with distinction the B.A., F.A., and Entrance Examinations of the University, have been provided for, in addition to a lot of School Annual (*Victoria Memorial*) and College Monthly Examination (*Vidyasagar Memorial*) Scholarships determined by the results of these examinations. Two silver medals, named "Durgacharan Sarcar Medal" and "Gaganachandra Bose Medal," are to be awarded by the Proprietor of the Institution, the one in memory of his youngest brother, and the other in memory of one of his distinguished pupils in another Institution, to two such students of the College Department as would secure a Duff Scholarship or the highest number of marks in Logic, at the F.A. or Intermediate in Arts Examinations of the University for any year.

Bangabasi College.

AFFILIATED, 1888.

This Institution was founded as a school under the name of Bangabasi School in June, 1886. The success of the Institution during the first year of its existence led the proprietor to add to it a College Department, which was affiliated to the Calcutta University in Arts up to the F.A. Standard in June, 1887, and has since March, 1896, been affiliated in Arts up to the B.A. Standard and in Law up to the B.L. Standard.

The Institution consists of two Departments, *viz.*, the Arts Department and the Law Department. The Law Department teaches the full course of study prescribed for the B.L. and Pleadership Examinations, and the Arts Department teaches up to the M.A. Standard.

A new and special feature of the Arts Department is the arrangement for teaching the B course in Biology, in addition to Physics and Chemistry, and that of the Law Department is the opening of a Law Library for the use of the Law students of the College free of any charge. This Library is provided with two or more sets each of all standard Law-books ordinarily required by students, together with complete set of the Indian Law Reports and a few other Law Reports. In order to keep the students conversant with current Law Literature, the Library, is supplied with copies of the *Calcutta Gazette* and the *Gazette of India*.

Brajamohan Institution, Barisal.

This Institution was founded as a higher class English School on the 27th of June 1884, by the late Babu Brajamohan Datta, Small Cause Court Judge of Nuddea, at the request of the District Education Committee which had been instructed by the Director of Public Instruction to secure the establishment of a private school, as the number of students in the Barisal Zila School had at that time exceeded 600, and the buildings were found too small for the accommodation of so many boys. Babu Brajamohan expressed a wish to raise the Institution to the status of a Second Grade College, but it could not be fulfilled on account of his sudden death. His sons, Babu Aswinikumar Datta and the late Babus Kamini-kumar Datta and Janinikumar Datta, encouraged by the unexpected success of the Institution, and with a view to carry out the wishes of their deceased father, added the College classes, which have been affiliated up to the F.A. Standard of the Calcutta University since June, 1889, and to the B.A. and B.L. Standards since July, 1898.

The object of the Institution is to give to the students intellectual, physical and moral training without reference to sect or creed. Particular attention is paid to the enforcement of discipline.

Quarterly statements, showing the progress and conduct of the pupils in the School Department, are sent to their parents for their remarks and suggestions.

A Scholarship of Rs. 10 a month, named "The Bell Scholarship" after Mr. N. D. Beatson-Bell, B.A., I.C.S., tenable for two years in the B.A. classes of this Institution, is awarded to the student who passes the F.A. Examination in the first division and fails to secure a Government Scholarship.

A Silver medal founded by Babu Chandra Sekhar Gupta, late Treasurer of the Currency Office, is awarded to the student who stands first among the successful Entrance candidates, provided he continues his studies in the F.A. classes of this College.

The tuition fee in the College Department is Rs. 3 a month.

XXIX.

The Bhumihar Brahman College.

AFFILIATED, 1899.

This College was founded in July, 1899. It is the result of the zealous efforts of the local Bhumihar Brahman community to remove the crying want of a College at Mozufferpur, which had long been felt by the public of the place. With this view the Bhumihar Brahman Sabha met in March, 1899, and discussed the most feasible way of accomplishing their object. The authorities of the Society's High School, which was founded by the late Nawab Inad Ali Khan, Bahadur, very generously came to their help and made over the School to the Sabha. The Sabha thereupon resolved to establish a College at Mozufferpur, and took the aforesaid Institution as its feeder. The College has been fortunate enough in onlisting the warm sympathy and support of many public-spirited gentlemen of the town on its behalf. The object that the Sabha has in view, in founding this College, is the placing of the benefits of higher education within the reach of the students of North Behar, and the imparting of moral and physical training to them.

The College was first started, as a second grade one, on the 3rd July, 1899. A application was made in June, 1900, for the affiliation of the College to the Calcutta University, up to the B.A. Standard. The Syndicate was pleased to recommend the affiliation, and the Governor-General's final sanction was obtained in the first week of the current year.

A sum of Rs. 50,000 has been set apart in trust for the maintenance of the College, and a registered trust deed, executed by Chodhri Mohanth Raghunath Dass, Zemindar of Jaintpur, Rai Purnmeshwar Narayan Mahtha, Bahadur, Bankor, Babu Langat Singh, Zemindar, and Babu Jugeshwar-prasad Singh, Pleader, was submitted, along with the first petition for affiliation, to the Syndicate. Soon after the founding of the College it became apparent that Babu Langat Singh alone was to bear the whole of the expenses of the College. The trust fund in hand has consisted solely of his own donation, and nobody else came forward to help the College financially. Hence it is a fact that Babu Langat Singh alone has been supporting the College from its very beginning, and he is therefore the proprietor of the Institution.

The College has been furnished with a fine Laboratory and a well-stocked Library. It is proposed to establish a boarding-house in connection with the College as soon as possible for the benefit of mofussil students, in which poor boys will be allowed free board and lodging.

The tuition fee for the College classes is Rs. 4, and that in the School Department varies from Rs. 2 to As. 8 a month.

One scholarship of Rs. 8 and six others of Rs. 4 each have been awarded to deserving students of the College Department. One of the six Scholarships of Rs. 4 each is called the "Fraser Scholarship," in honour of the Lieutenant-Governor's visit to the College in January, 1904, and the others are also named after distinguished official visitors during the year.

As no eligible students have been found, none of these scholarships have been awarded during the present year.

Three free studentships and three half-free studentships have been granted to deserving poor boys at the commencement of the current session.

XXXI.

Wesleyan College, Bankura.

AFFILIATED, 1907.

This College was established by the Wesleyan Mission, in June 1903, partly because of the success of the Mission High School, known as the Kuchkuchia High School, but chiefly because of the great demand for higher education in this part of Bengal. There being no college within a radius of sixty miles, and Bankura having a dry and healthy climate, it was considered to be in every respect a most suitable centre for such an institution. The need of a College, in this neighbourhood, has been amply justified by the number of students that have joined during the last five years. Its success has been so gratifying, both numerically and educationally, that the authorities have asked the university to affiliate the institution up to B.A. in Arts, which privilege has been granted. The privilege of affiliation would have been granted at a earlier date, but owing to the reorganisation of the University the delay was unavoidable. Though at present, affiliated in Arts only, provision is being made for the teaching of Science, and the University has been asked to give permission to commence classes in Chemistry in June of the next session.

Great difficulty has been experienced in obtaining a suitable site for the new additional buildings to be erected, but an excellent property of 115 bighas has at last been acquired. On this site a new College building, houses for Principal and professors and Hostels for Hindu and Christian students are being erected. At present only F.A. classes are being held, B.A. classes will be opened in June of the present year in the new College building.

The aim of the College is to give a sound, healthy education, based on high moral and Christian principles; and to this end cramming is discouraged and Scripture is taught systematically in both School and College. Manly outdoor games are encouraged and the new College recreation ground is largely patronised by both students and boys.

There is of fees in the College classes is at present Rs. 5 per month in the B.A. and Rs. 4 in the F.A. Classes: in the school it varies from Rs. 2 to 8 annas.

AFFILIATED, 1867.

This Institution was founded by Warren Hastings in 1781, with the view of enabling Muhammadans of Bengal to acquire such a knowledge of Arabic Literature and Law as would qualify them for the Judicial Department, and was endowed by him with a Zemindary yielding an estimated rental of Rs. 29,000. In July, 1819, the zemindary was resumed and the rental was commuted to a fixed annual charge on the Treasury, of Rs. 30,000.

In 1873 the interest of the Muhammad Mushin Legacy, amounting to Rs. 51,000, which had previously been expended on the Hughli College, was set free, and was devoted to Muhammadan education in Bengal. Several new Madrasahs were founded; and the sum of Rs. 35,000, plus the schooling fees changed afterwards to Rs. 31,000, was fixed as the annual charge of the Calcutta Madrasah and Colinga Branch School.

There are two Government scholarships of Rs. 15, each tenable in the senior fifth year class, Arabic Department, and awarded to those who stand first and second in order of merit among the successful candidates at the Higher Standard Examination of the various Madrasahs of Bengal.

There are 18 Muhsin scholarships of Rs. 10, 8, 6, 4 and 3, respectively, awarded in the Arabic Department; 11 Muhsin scholarships of Rs. 5, 4, 3, respectively, in the Anglo-Persian Department; and a Scindia and Bhopal scholarship of Rs. 2-8. There are four Scholarships of Rs. 34, each tenable for the year in M.E. School.

It occupies a site adjoining the Madrasah building and affords accommodation for 140 Muhammadan students attending either one of the several Madrasah Departments of some other affiliated College in Calcutta. Midnapur College.

AFFILIATED, 1873.

This Institution was founded as a Zilla School in 1834, and was converted into a High School in 1873. Since the Government order of the 16th October, 1877, changing the nomenclature of Government Schools, it has been called the Midnapur Second Grade College. It is supported partly by Government and partly by the interest of an endowment fund, raised by the people of the district of Midnapur, amounting to Rs. 51,000 in Government Securities and Municipal Debentures. The management of the Institution, which had been under the control of the Director of Public Instruction and of a District School Committee, was made over by Government to the Local Municipality on the 1st of July, 1887, on the grant-in-aid system.

* It consists of a College and a School Department. Into the former such students are admitted as have passed the University Entrance Examination and intend to work for the First Examination in Arts. The tuition fee in the College Department is Rs. 5 a month, and that in the School Department varies from one rupee in the lowest to three rupees in the highest class.

A Law Department was opened in 1873, and was affiliated to the Calcutta University up to the B.L. standard in June, 1892. The rate of fee for this department is Rs. 5 a month.

There is a gymnastic class attached to the College, in which boys are taught exercises according to European and Indian methods. A drill master has been appointed to train the boys in the European system of drill.

Local Scholarships and Medals.

One Luchman Prasad Garga Scholarship of Rs. 5 per mensem (now reduced to Rs. 4), tenable for two years, founded by the Zemindar of Moisdal, of that name, and one Ajodhyaram Khan Scholarship of Rs. 5 per mensem, tenable for two years, founded by Rajah Mahendra Lal Khan, Zemindar of Midnapur, to perpetuate the memory of his father, are awarded annually to the two most-deserving students who pass the University Entrance Examination from the Collegiate School, but who fail to gain Government Scholarships, on condition that they prosecute their studies in this College.

One Luchman Prasad Garga gold medal of the value of about Rs. 32, endowed by the Zemindar of Moisdal of that name, is awarded annually to the student from the Midnapur College who passes highest at the F.A. Examination.

Four silver medals of the value of about Rs. 16 each, called Harrison, the Martin, the Kali Prasanna Ray Chaudhuri, and the Bipin Behari Datta medal, are annually awarded to the best student of the Collegiate School in Mathematics, History, English Composition, and English language and literature respectively. The money for the Martin Medal Fund was subscribed by the Bengali friends and admirers of the late R. L. Martin, Esq., Inspector of Schools, to commemorate his name. The rest were endowed by the donors whose names they bear. There is another silver medal called the "Abhaya Charan Medal," which is annually awarded to the candidate who obtains the highest marks in History among the successful Entrance candidates from the Collegiate School. The money for this medal was subscribed by the friends and students of the late Babu Abhaya Charan Bose, Head Master of the Collegiate School.

A temporary hostel, with material help from Government, has been opened here with effect from June, 1906.

Albert College.

AFFILIATED, 1881.

This Institution was founded in the year 1872 with the object of imparting education to students of the middle classes at moderate and convenient rates. The College has been a self-supporting one from the beginning, being maintained entirely from fees. It consists of two departments, the English and the Vernacular, containing eleven classes. The College Department was opened in 1871, teaching up to the standard of the First Examination in Arts. In the Vernacular Classes both English and Bengali are taught, but the latter is used as the principal medium of instruction. Besides the branches rendered compulsory by University requirements, the College insists upon regular instruction in the principles of ethics, separate hours being set apart for lectures on that subject. There are classes also for music and elementary science.

Monthly statements showing the attendance, progress and conduct of the pupils of the School Department are sent to their parents for their remarks and suggestions.

An Admission Fee of Rs. 3 is charged to all students of the College Department, and the monthly tuition fee is Rs. 3. In the School Department the rates of fee vary from one rupee in the lowest classes to three rupees in the highest.

The management of the College has, since the death of the late Rector Babu Krishna Bihari Sen, M.A., been vested in a Committee which at present consists of the following gentlemen :-

Burdwan Raj College.

..
AFFILIATED, 1882.

This Institution, since its first establishment in 1817, has been one of slow but steady growth. True to its mission of supplying the demands of the public of Burdwan for education in the modern acceptation of the term, it has always kept pace with the real wants of the place. Started as an Anglo-Vernacular School imparting rudimentary education, which satisfied the intellectual craving of the Burdwan people of the early days of British rule in India, it passed through different stages of improvement, developed various phases of usefulness, and at last attained a recognised position as a Second Grade College in 1881.

The educational establishments of His Highness the Maharaja Adhiraj Bahadur divide themselves at the present time under five heads :—

First, the College Department, which is open to all students that are matriculated in the Calcutta University, teaching up to the F.A. Standard. The monthly tuition fee is Rs. 4, but there are numerous free-studentships and half free-studentships awarded to deserving pupils.

Second, the School Department, serving chiefly as a feeder or tributary to the above, preparing students for the Calcutta University Entrance Examination.

Third, the Persian Department teaching, amongst others, those boys of the first two Departments that take up Persian as their second language.

Fourth, the Sanskrit School, imparting instruction in the orthodox native style to those whose religious scruples prevent them from availing themselves of the advantages of the English School.

And fifth and last, the Girls' School, the present provision in connection with which, though meagre, is more than sufficient to meet the requirements of female education as it is understood at Burdwan. All these Departments are under the control of the Principal.

The disbursements in the different Departments aggregate annually about Rs. 19,728, they being mainly met by the munificent charity of His Highness the Maharaja Adhiraj Bahadur.

Several boys, in consideration of their extreme indigence, are found in money, besides provided with free tuition.

Three Scholarships of Rs. 10 per mensem each, and tenable for two years, are annually awarded to the best amongst those successful F.A. candidates from the College who fail to secure Government Senior Scholarships, to enable them to study for the B.A. Examination.

Uttarpara College.

AFFILIATED, 1887.

This College is the final outcome of the long-continued efforts of the late Babu Jaykissen Mukerji in furtherance of the cause of English education in Bengal. In 1846 he had a Government School opened at Uttarpara on the basis of an endowment by him and his brother, the late Babu Rajkissen Mukherji, of Rs. 1,200 a year, and a Government assignment of equal value. The School prospered, and won its way to the front rank among the schools in Bengal.

Babu Jaykissen's wish was that his school should ultimately expand into a College, and to this end, so long as the year 1853, he asked Government to raise the school to a first class College, offering to contribute an equal sum with Government towards the maintenance of the College. In 1883 he submitted a proposal for the conversion of the school into a Second Grade College, offering to make an endowment for its support so that it may cost the Government nothing. The recently initiated educational policy of Government stood, however, in the way of his proposal being accepted, and it was accordingly not accepted.

He finally went up to Government in April, 1887, with a proposal for the establishment of an aided College in connection with the old Government School. Government accorded him permission to open such a College, but on the condition that he took the school off the hands of Government. He agreed to do so, provided Government left the school the material advantages it derived from its connection with Government. It took some time to settle the terms of the transfer, which was formally effected in March, 1889. The College and the Collegiate School were then under the management of a Board consisting of the Collector of Hughly as President, of Raja Pyarimohan Mukerji, C.S.I., and Babu Rashihari Mukerji as representatives of the late Babu Jaykissen Mukherji, and of Babu Manohar Mukherji as representative of the late Babu Rajkissen Mukerji. But the Uttarpara School having been resumed by Government on 1st April, 1897, the College is entirely maintained and managed by its proprietor, Raja Pyarimohan Mukherji.

Armenian College.

AFFILIATED, 1888.

The College is incorporated with the Armenian Philanthropic Academy, a Day and Boarding School, which was established on the 2nd of April

1821, by influential members of the Armenian community resident in Calcutta, "for the education of our youth, both rich and poor." In 1813 Chatoor Moorathan bequeathed a sum of Rs. 8,000 towards the opening of such an institution, and his liberality was so supported by a large number of donations that, when the Academy was set on foot, it owned over Rs. 2,00,000.

Until the year 1883 the affairs of the school were administered by a number of Armenian gentlemen, who were styled Members of the Institution, and who elected four of themselves to be Managers. But in that year, under a decree of the High Court of Judicature at Fort William in Bengal, a scheme was drawn up for the future regulation and management of the Academy. The funds of the school were placed in the hands of the Official Trustee of Bengal, and a Board of Managers was appointed.

The College keeps on its rolls about sixty foundationers of Armenian parentage. Some of these lads are provided for by the Armenian Association of Batavia; others by the Armenian Church of Calcutta; others under the Mary Apear Trust; others by the Burma ex-pupils; and others by the College itself. Besides these, pupils of all denominations are received as boarders and day-scholars on payment of the usual fees.

Monghyr Diamond Jubilee College.

AFFILIATED, 1898.

The Institution was founded as a Government Zila School in 1854, under the control of the Director of Public Instruction, Bengal, and was managed by a District Committee. Under the management of the Joint Committee the Institution rose to a first-class school in 1897.

To commemorate the Diamond Jubilee of Her Most Gracious Majesty's benign and peaceful reign, it was resolved at a public meeting that the most appropriate way to celebrating the happy event would be to found a College by the amalgamation of the three local schools, viz., Zila School, Kamalleshwari Prosad Institution (a High English School maintained entirely at the cost of Rai Kamalleshwari Prosad Singh Bahadur, Proprietor), and the V. The Pabna College.

AFFILIATED, 1898.

This College was formerly a part of the Pabna Institution, which included also a High English School. The school and the College have, however, now been separated, the management of the school still resting with the founder and proprietor, Babu Gopal Chandra Lahiri, B.A., while the management of the College has been transferred to a public Committee. The name Pabna Institution has been reserved exclusively for the school, and the College Department has been given the name of the Pabna College. The College is now held in a hired house, a nice commodious building very advantageously situated on the bank of the river. New furniture have also been provided for the College, and a nucleus for the Library has been formed by the purchase of books worth about Rs. 600. The College, after dragging on a precarious existence for more than a year, is now going to be placed on a stable footing with the most munificent aid of the Government and the help of a number of gentlemen of the District. An estimate has been made of more than half a lakh of rupees for suitable buildings for the College and the Collegiate Hostel, the Laboratory, and the Library; a piece of land, measuring seven bighas has been secured for the above buildings, in a most healthy locality by the river side, and it is fully expected that under the impetus the College has received from the Government, the building operations will be fairly advanced before the next session of the College commences in June, 1908. It has been further estimated that when the College is fully equipped, the monthly expenditure will come to nearly Rs. 1,000, a goodly part of which will be borne by the Government. For the year 1907-8 a grant of Rs. 2,500 has been sanctioned. It should further be mentioned here that two

nobleminded Zemindars of the District, namely, Roy Banamali Roy, Bahadur, and Babu Jogendra Nath Moitra, pay a monthly subscription of Rs. 50 each. The College teaches at present up to the Intermediate Standard, but there is every hope of its being raised to the status of a first-grade College.

The tuition fee is Rs. 4 a month. There is provision for a limited number of free studentships. Government scholarship-holders are here free students. No rent is charged for seats in the Boarding House.

Cotton College, Gauhati.

AFFILIATED, 1901.

This College was established by the Government of Assam as a purely Government Institution, under the control of the Director of Public Instruction, Assam, and is the outcome of a strong desire on the part of the Assamese for a local College. It owes its foundation to the zealous efforts of Sir H. J. S. Cotton, C.S., K.C. SI., the late Chief Commissioner of Assam, after whom it has been named at the request of influential men of the locality.

The College was affiliated in June, 1901, to the Calcutta University up to the F.A. Standard. The building is a handsome and imposing structure

occupying a fine site, and erected by the Government at a cost of over half a lakh of rupees. It has a large Science Theatre, with a well-equipped Laboratory, and a large Library and Examination Hall.

The main object of the establishment of a College in the heart of Assam was to provide higher educational advantages for the natives of this Province, and to avoid the necessity of boys going to Calcutta at too early an age.

There is a Collegiate School attached to the College, under a Headmaster assisted by a staff of 14 teachers, directly under the control of the Principal. The fees levied in the College are Rs. 5, monthly tuition fee, and Rs. 5, admission fee. There is a small compulsory subscription to the Athletic Club, levied from all students. In the School Department the rates of fees vary from As. 12 to Rs. 3.

Connected with the College, and under the control of the Principal, there are two separate Hostels for Hindus and Mahomedans, under the direct supervision and management of two Resident Superintendents. A visiting Medical Officer has also been appointed to look after the health of the boarders. No fees are charged to boarders for accommodation. The boarding fee ranges from Rs. 9 to Rs. 10 per mensem according to rates of food articles in the market.

There are Junior Scholarships awarded to the natives of the Assam Valley and to successful candidates from Assam schools, who are not natives, upon the result of the Entrance Examination. These scholarships are tenable only at this College, except under the special orders of the Chief Commissioner. Senior Scholarships are also awarded at this College to students who pass their F.A. Examination, and intend to study further. Their values are Rs. 20 and Rs. 15.

This Institution was founded in 1902, and constitutes a religious trust under the management of a Board of Trustees. Its aim principally, is to give Hindu boys a training in their religion, and to revive ancient Hindu learning; it has in view also the furtherance of the cause of general education.

The work has been commenced with two branches: one is the college teaching the F.A. Course, and the other is the *chatushpathi* teaching different branches of Sanskrit Literature and Hindu Law and Philosophy. The College has got a Council of Management and has recently been affiliated for the Intermediate Examination in Arts. It is intended principally for Hindu students. Pupils of other religious persuasions are also admitted merely as day-scholars and upon a principle of non-interference.

I.

Medical College of Bengal

AFFILIATED, 1857.

The Medical College of Bengal was founded by Lord William Bentinck in the year 1835.

The government of the College and Hospital is vested in the Principal, aided by a consultative Council, composed of all the Professors, subject to the general control of the Inspector-General of Civil Hospitals for Bengal.

The following Rules and Regulations apply to students who were admitted in this College before June, 1907. Students admitted in or after June, 1907 will be subject to the New Regulations of the Calcutta University.

THE STUDENTS.

1. Students are permitted to enter for a complete course of study or for selected courses in one or several subjects.

2. Students who enter for the full course are called "regular," and those who enter for isolated subjects or courses are termed "casual" students.

3. Except under very special circumstances, no student from a medical college of another Province can be admitted other than as a casual student.

4. The maximum number of students admitted under either of those designations is determined by the Principal at his own discretion (Bengal Government order No. 267 Medl. of 19th January, 1897).

5. Regular students who have failed at the Test Examination of the first year, will have their application for re-admission considered before the applications of new students at the next annual session.

6. No person will be enrolled as a regular student who has not previously passed the First Arts Examination of the Calcutta University, or other examination recognised as its equivalent by the Calcutta University.

7. Casual students may be admitted at the discretion of the Principal, provided they have passed the Entrance Examination of the Calcutta University, or other examination recognised as its equivalent by the Calcutta University, or a Preliminary Arts Examination recognised as its equivalent by the British General Medical Council.

8. As a very exceptional case, a casual student may be admitted by the Principal without the Preliminary Arts Examination. In such a case no certificate for lectures or hospital practice can be granted.

9. Any regular student who leaves the College before completing the course, with the object of continuing his studies in a medical school in Europe, may receive certificates of attendance at lectures on payment of

fees at certain (Section "Fees") fixed rates, provided the Professor is satisfied that the attendance of the student has been satisfactory, and that the subject has been honestly studied.

10. All students intending to finish their studies in Europe are directed to the Regulations of the British General Medical Council, in which it is laid down that Latin is a compulsory subject in the Arts Preliminary. A recognised examination in Latin must be passed before students can be registered by the British General Medical Council.

11. A casual student wishing to attend any course of lectures or any department of hospital practice, may do so with the permission of the Principal and Professor of the subject on payment, in advance, of fees at the rates fixed. If the student has passed a recognised Preliminary Arts Examination, he may be granted certificates of attendance at the lectures, provided the Principal and Professor are satisfied with his study of the subject taken up.

12. Special students are also admitted to two complete courses of study other than the University course, *viz.*, the Female Certificate Course and the Military Pupil Course.

13. Admission to the Female Certificate Course is granted by the Principal, provided the student has passed the Preliminary Arts Examination, as explained in paragraph 7.

14. Admission to the Military Pupil Course is regulated by the Director-General, Indian Medical Service.

FEMALE STUDENTS.

15. Female students may enter—

- (a) as regular students for the University course;
- (b) as Female Certificate students;
- (c) as casual students.

16. The Preliminary Arts Examination required before entering for—

- (a) is the F.A. Calcutta, or its equivalent (see above, paragraph 6);

- (c) is the Entrance, or its equivalent (see above, paragraph 7).

17. A student who has entered for the University course may be permitted by the Principal to change her plan of studies at any stage, and to join the Certificate Class instead.

18. Female students entering as regular or Female Certificate Students, are eligible for a Government scholarship of Rs. 20 per month, and are not charged any fees (Bengal Government Education) No. 1285 of 28th March, 1895.

19. Such a scholarship need not be claimed if the student does not wish to conform to the conditions.

20. The rules regulating the granting of certificates for lectures in paragraphs, 8, 9, 10, and 11, apply also to female students of all classes.

FEMALE CERTIFICATE CLASS.

21. Admission to this class is granted by the Principal. The number of admissions is determined by the Principal.

22. Female students must be over 17 years of age before commencing their studies.

23. They must have passed a Preliminary Arts Examination before admission to the College, *viz.* :—

- (1) Entrance Examination of the Calcutta University or an equivalent;
- (2) A Preliminary Arts Examination recognised by the British General Medical Council.

24. Application for admission to this class should reach the Principal by the 1st of May. In the event of a student desiring a scholarship from the Government or the Countess of Dufferin's Fund, her circumstances and claims should be concisely stated. The application should be accompanied by a signed declaration of willingness to abide by the conditions under which such scholarships are granted.

25. The conditions under which scholarships are granted by the Countess of Dufferin's Fund are laid down in Appendix No. 3 of the Annual Report of the Central Committee of the Countess of Dufferin's Fund.

26. The curriculum of the class extends over four years, and is that detailed in Section "Curricula."

27. Any proposed alteration of the course of study must receive the sanction of the Principal.

28. The progress in the course of study is regulated by Test and Pass Examinations. (Section "College Examinations.")

29. Students who are successful at the final Pass Examination of this course are entitled to the certificate of the College qualifying them to practise in India. A fee of Rs. 10 is charged for each certificate.

THE SURNOMOYE HOSTEL.

30. All female students are expected to reside in the Hostel, and only under exceptional circumstances will they be allowed to live with friends or guardians outside the College. Applications may, therefore, have to be refused on the ground that there is no accommodation in the Hostel.

31. Under the rules of the Hostel, preference is given to native students.

32. While in the Hostel, students are under the supervision of the Lady Superintendent, and must conform to the rules laid down for their guidance.

33. While within the College precincts, students are under the disciplinary control of the Principal.

PROCEDURE OF ADMISSION.

Application for admission to the College as regular students will not be accepted unless the F.A. Examination of the Calcutta University or an equivalent has been already passed, preference being given to those who have passed the F.A. Examination in Sanitary Science.

Application for admission to the Female Certificate Class will not be accepted unless the Entrance Examination of the Calcutta University or an equivalent has been already passed.

Application for admission to the Military Pupil Class must be made in conformity with the rules laid down by the Director General, Indian Medical Service.

Candidates for admission as casual students must submit a written application to the Principal, stating which Preliminary Examination (if any) in Arts they have passed.

Female students wishing to enter the Female Certificate class must apply to the Principal, if possible, personally.

2. Application of regular students should be made to the Principal of the Medical College in writing before the 25th May of each year. Forms of application are to be obtained from the Principal's office. A personal application ordinarily is not necessary.

3. (a) On payment of the requisite fees laid down in Section "Fees," paragraphs 1 and 5, a student is admitted to the College as a regular or casual student and is admitted to the lectures.

**THE CENTRAL COMMITTEE SCHOLARSHIPS OF THE COUNTESS OF
DUFFERIN FUND.**

The following scholarships have been created in the place of those of lower value which have hitherto existed :—

Three scholarships of Rs. 30 each per mensem, which it is intended shall be held at the Medical College at Calcutta or Lahore. These scholarships are to be tenable for five years and are granted only to students who have passed the University F. A. Examination, and who must agree to enter the full Assistant Surgeon's Course.

Seven scholarships of Rs. 20 each per mensem, to be held by students at the Medical Colleges at Calcutta, Madras, Bombay or Lahore. They must be over 17 years of age and pass the Entrance Examination, or an examination officially recognised by the University as equivalent to the Entrance examination.

These scholarships are paid through, and on the recommendation of, the Principal of the College where the student is working, but are liable to be withdrawn should she appear, either from want of application or from other causes, not likely to turn out a useful member of the Medical Profession.

A condition which applies to all the abovenamed scholarships is that a student, on the expiration of the term of her Medical study, shall be bound to serve the Association for at least three years, if called upon to do so.

All students who hold Central Committee scholarships are called upon to sign an agreement.

(b) Female students, if accepted by the Principal, will, under ordinary circumstances, be accommodated in the Surnomoyee Hostel and will report their arrival at the Principal's office. A female student, permitted to reside outside the Hostel, must report herself at the Principal's office on or before the 15th June. No female student will be admitted after 15th June.

(c) Military pupils are admitted to the College to join the Military Pupil Course under the orders of the Director-General, Indian Medical Service.

4. The fees, as laid down in Section "fees," may be paid personally at the Principal's office, or by money-order or cheque. A receipt is granted, and each student must initial the counterfoil of the receipt.

FEES

1. All regular students must pay Rs. 15 on entrance as an entrance fee. All failed first and second-year students must seek admission by applying before 15th May, otherwise their prior claim lapses. They must pay their fees before the 15th May.

Third and fifth-year students who fail at the first and second L.M.S. Examinations must pay their fees by the 15th June.

New students must apply and, if admitted, pay their fees before 1st June. The session will commence on the 15th June.

2. All regular students must pay an annual fee of Rs. 96 in two instalments—Rs. 48 on the 15th June and Rs. 48 on the first November. Fees once paid cannot be refunded.

2a. All regular students have to pay an annual fee of Re. 1 to the Medical College Athletic Club.

- 3 The fee for each course of Dissection is Rs. 6.
The fee for each course of Practical Chemistry is Rs. 6.
The fee for each course of Practical Physiology is Rs. 10.
The fee for each course of Physiological Chemistry is Rs. 15.
The fee for each course of Practical Morbid Histology is Rs. 15.
The fee for each course of Practical Bacteriology is Rs. 15.

4. Muhammadan students are required to pay the entrance fee of Rs. 15 and half the annual fees—Rs. 24 on the 15th June and Rs. 24 on the 1st November. The remaining half fees are charged to the Mohsin Fund.

5. The following scale of fees is fixed for regular students who take up course additional to the full curriculum of a year (Section "Curricula," paragraph 2) :—

	Rs.
(a) For a single course of lectures in one subject in one year ..	40
(b) For attendance for three months in one department of hospital practice ..	30
(c) For attendance for three months at Practical Pharmacy ..	30

6. Casual students who wish to attend any course of lectures or any department of hospital practice may do so, with the permission of the Principal and Professor of the subject, on payment, in advance, of the fees fixed in paragraph 5.

7. Junior stipendiary scholarships and free tuition for one year are awarded to 10 students of the *bona fide* second year's curriculum on the results of the Test and Honour Examinations at the end of the first year.

8. Junior stipendiary scholarships, and free tuition for one year are awarded to 10 students of the *bona fide* third year's curriculum on the results of the Test and Honour Examination at the end of the second year, but not unless they have passed the Preliminary Scientific Examination.

N.B.—By the term "students of the *bona fide* second and third year's curriculum" is to be understood those students who have not failed in former Test Examinations of the first and second year, and who therefore have not had to seek re-admission.

9. Senior stipendiary scholarships and free tuition are awarded annually to 10 students of the *bona fide* fourth year's curriculum on the results of the Test and Honour Examinations at the end of the third year, provided they have passed either the first M.B. or L.M.S. Examination. A student who has failed to pass the Preliminary Scientific Examination at the end of his second year cannot hold a scholarship in his third year. In the event of his passing a combined examination at the end of his third year, he will then be eligible to hold a senior scholarship. Senior scholarships, with free tuition, are tenable for two years, provided the holders pass the Test Examination at the end of their fourth year to the satisfaction of the Principal.

10. Holders of stipendiary scholarships of a value less than Rs. 20 per mensem are not required to pay the annual fee of Rs. 96 for the year in which they hold a scholarship. All other scholarship-holders shall pay the same fees as regular students, except female students who are exempted from the operation of this rule [Bengal Government Resolution (Education) No. 1285 of 28th March, 1895].

11. Students re-admitted to a curriculum after failure at Test Examinations or, in the case of third-year students, those who have failed in the first L.M.S. or M.B. Examination, will be required to pay half the annual fee in one instalment (i.e., Rs. 48), and an extra fee (i.e., for Dissection) of Rs. 6 in full.

12. Students who have passed the Test Examination of the second year, but have failed to pass the Preliminary Scientific, L.M.S. or M.B.,

and who therefore have to take up in their third year as extra subjects those in which they have failed, will be required to pay fees for those subjects at the following rates :—Rs. 20 for one subject, Rs. 30 for two, and Rs. 35 for three, in addition to the full annual fee.

13. A student who passes the Preliminary Scientific L.M.S. at the end of his second year, but for any reason, does not pass the Preliminary M.B. Examination, and who then wishes to pass himself for the Preliminary Scientific M.B. or combined M.B. Examination at the end of his third year, and has to attend the lectures in Chemistry, Botany, and Zoology, required for his examination as extra subjects, must pay fees in accordance with the provision of paragraph 12.

The practice is, however, not recommended, and such students are advised to ask permission to revert to the second-year course of study.

14. A similar ruling applies to students who have passed the first L.M.S. at the end of their third year, but having failed to pass the first M.B., wish to present themselves for it at the end of their fourth year. They must attend the necessary lectures as extra subjects and pay extra fees, but they are advised to apply for permission to revert to their third year.

15. Students who have passed in all subjects at a University examination but fail in the "aggregate," will pay fees as if they had failed in one subject.

16. Students who fail at the final M.B. or L.M.S. Examination will pay fees for the subjects in which they have to reappear at the following rates :—Rs. 20 for one subject, Rs. 30 for two, and Rs. 35 for three, but without any annual fee.

17. These rules, with regard to the payment of fees after failure, may, in special cases, be relaxed by the Inspector-General of Civil Hospitals, Bengal, on the recommendation of the Principal (Bengal Government Order No. 263, Medical, dated 19th January, 1897).

18. No fees are charged to regular female students or to those of the Female Certificate Class.

19. Similarly no fees are charged to students of the Military Pupil Class.

20. In calculating the sum to be paid under Rule 9 "The Students," the amount of the fees already paid by him as a regular student, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount, which would have been paid by him, had he been a paying student, shall be deducted.

21. Thus a regular student, leaving for Europe at the end of his second year, would, after enjoying for two years a stipendiary scholarship and free tuition, if he wished for the necessary certificates, be required to pay the following sum, calculated thus :—

Anatomy course of first and second year	..	40 + 40 = 80	
Chemistry ditto ditto	40 + 40 = 80	
Botany ditto ditto	40 + 40 = 80	
Materia Medica of second year	40	40
Comparative Anatomy ditto	40	40
Practical Chemistry ditto	40	40
Physiology ditto	40	40
Dissections, first and second year	40 + 40 = 80	
Pharmacy, second year	30	30
Hospital practice	60	60
Deduct :—			570

22. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, *i.e.*, he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

23. Students of the Military class and Female Certificate class requiring certificates in the same way, will be required to pay the rate of fees laid down in paragraph 5 for the full curriculum, or for such portion as they have attended. 4. Female students may, with the sanction of the Principal, change their course of study from the curriculum of the University to that of the Certificate class.

5. Casual female students may be enrolled in the Certificate class after commencing a course of study in one or more subjects at the College, but will have to complete the full four-years' course from the time of entering the Certificate course.

EXAMINATIONS

REGULAR STUDENTS

1. The examinations compulsory for regular students are the College Test examinations and the Calcutta University examinations

2. Casual students may be required to pass the College Test examinations.

3. Students of the Military pupil class are required to pass College Test examinations and Final examinations in certain subjects at different stages of the curriculum in accordance with the orders of the Director-General, Indian Medical Service.

4. Students of the Female Certificate class are required to pass College Test examinations and Final examinations in certain subjects at different stages of the curriculum.

The following are the examinations for the different classes of students :—

	1st year.	2nd year.	3rd year.	4th year.	5th year.
Regular students.	College Test examination.	College Test and Preliminary Scientific, L.M.S. or M.B. examinations.	First L.M.S. or M.B. examinations.	College Test examinations.	Final L.M.S. or M.B. examinations.

Military Pupil class.	College Test examination.	Final examination.	College Test and Final examinations.	Final examination.	
Female Certificate class.	College Test examination.	Final examination.	College Test and Final examinations.	Final examination.	

NOTE. It will thus be seen that the first L.M.S. or first M.B. fulfils the purpose of a College Test for regular students of the third year, and the Final L.M.S. or M.B. for those of the fifth year.

Promotion to a higher stage of the curriculum is dependent on passing the Test examinations.

5. Students of the first and second-year at the College Test examinations are expected to obtain a minimum of 40 per cent. in all subjects, but 30 per cent. in one may not debar them from being promoted to the second and third year's curriculum, respectively. Failure to reach this minimum will entail a further year's study before promotion.

6. Those who, after passing the College Test, fail at the University examinations, will be entitled, equally with those who pass it, to join the third-year curriculum, at the end of which the former will have to present themselves for the combined Preliminary Scientific and first L.M.S. or M.B. examinations.

7. Those students who fail at the College Test examination of the second year will not be debarred from going up for the Preliminary Scientific. They will be encouraged to do so; but whether they pass or fail they will be relegated to the second year curriculum, provided that those who pass the University examination will not be required to attend the courses in those subjects in which they have passed.

8. Students of the first or second-year curriculum, who fail twice at the same stage to gain promotion to the next higher curriculum, will be finally removed from the College.

9. Students of the third-year must present themselves for the first L.M.S. or first M.B. examination of the Calcutta University, or for the combined (paragraph 6 above). Those who fail at this examination will be relegated for a further year to the third-year's curriculum.

10. Those who fail to present themselves at the University examinations without satisfactory explanation, render themselves liable to removal from the College.

11. Students of the third-year who fail twice at the first L.M.S. or first M.B. will be liable to removal from the College. If the Principal thinks fit, they may be allowed to remain in the College and be relegated to the third-year curriculum on payment of fees at rates laid down (Section "Fees," paragraph 11). This concession may be repeated for any number of years at the discretion of the Principal.

12. Students of the fourth-year curriculum must not only pass the College Test examinations, but must also show diligence and aptitude in clinical work, otherwise they will not be promoted to the fifth-year curriculum.

13. Students of the fourth year curriculum who, at the College Test

examinations, obtain a minimum of 40 per cent. of the marks in three subjects, and 30 per cent. in a fourth (Section "Curricula") will be eligible for promotion to the fifth-year class. Those who fail to obtain this minimum will be relegated to the fourth-year curriculum for a further year.

14. Students who fail to pass the final L.M.S. or M.B. examinations must attend a further course of lectures in the subject or subjects in which they have failed, in accordance with the University regulations, and must pay the necessary fees (Section "Fees," paragraph 16).

15. Students who have failed to pass the College Test and University examinations in regular course are not eligible for junior stipendiary scholarships (Section "College Rewards").

16. Students of the fourth year curriculum will be allowed to compete for the medals, prizes and scholarships of the fourth and fifth years (Section "College Rewards," paragraphs 16 and 17).

17. The method of examinations for Honours is determined by each Professor in consultation with the Principal.

MILITARY PUPILS.

18. The rules regulating the Test and Final examinations of the Military pupil class are those ordered by the Director General, Indian Medical Service, from time to time.

FEMALE CERTIFICATE CLASS.

19. Promotion to a higher curriculum is dependent on passing the Test examinations, at which the minimum of marks fixed in each subject must be obtained.

20. A student of the first year who obtains less than 30 per cent. of marks in any two out of the four subjects of the Test examinations will be removed from the College.

21. A student of the second and third-year curriculum must obtain 40 per cent. of the marks in two subjects of examination (Test or Final) to be promoted to the higher curriculum. A student who fails to obtain 40 per cent. in two or 30 per cent. in one subject only will be relegated to a further year's study to her present curriculum.

22. If a student obtains more than 30 per cent. but less than 40 per cent. of the marks in one subject, she will be eligible for promotion. She must, however, attend a course of lectures in the subjects in which she has failed in addition to the full curriculum of the year to which she has been promoted. She must pass the Test examination in that subject before being promoted. Repeated failure will entail removal from the College.

23. The same rules for the minimum percentage of marks accepted for the examinations of the second and third years apply to students of the fourth year.

24. If a student of the fourth year gains 30 per cent. and less than 40 per cent. in one subject only, she will be referred for a further course of study for one year.

THE MILITARY PUPIL CLASS.

1. The administrative control of this class, as a portion of the Indian Subordinate Medical Department, rests with the Director-General, Indian Medical Service.

2. Students are admitted to this class under the orders of the Government of India, Military Department (India Army Circulars, 1884, clause 3). Full particulars are to be found in a prospectus issued annually from the office of the Director-General, Indian Medical Service.

3. Students must be of European or Eurasian parentage, physically fit, of good character, and between sixteen and nineteen years of age on admission.

4. While at the college they will be styled military pupils.

5. Their education at the College is intended to fit them for employment in hospitals of British troops and in Military and Civil appointments (India Army Circulars, 1884, clause 83).

6. The course of study is that laid down in Appendix B of the abovementioned prospectus, and will be found in the Section "Curricula" of these rules.

7. Military pupils must obtain permission from the Principal before attending lectures on subjects outside their curriculum.

8. The periodical and final examinations of the curriculum will be conducted, and students who fail to pass them will be dealt with in accordance with the rules laid down in the prospectus issued by the Director-General, Indian Medical Service.

9. At the end of the course, military pupils, if reported qualified, will be attested and admitted (India Army Circulars of 1888, clause 162) into the Indian Subordinate Medical Department.

10. At the same time they will receive a certificate qualifying them to practise physic in India and designate themselves Diplomates of the Medical College of Bengal.

11. A military pupil who, at the end of his first year at the College, does not, in the opinion of the Principal, give promise of proving a successful or desirable student, will be liable to removal.

12. A military pupil, in the event of failing to pass the periodical and final examinations of the curriculum, or misconducting himself, may be summarily removed by the Director-General, Indian Medical Service, and all certificates to which he may otherwise be entitled withheld.

13. A military pupil desirous of relinquishing his studies can only do so with the sanction of the Director-General, Indian Medical Service, and on refunding the whole amount of pay received by him.

14. The order and discipline of the military pupils is maintained by the Superintendent of military pupils, and the resident staff under the orders of the Principal.

15. While under instruction in the College or Hospitals, military pupils are subject to the rules for the maintenance of discipline applicable to other students.

16. Leave to military pupils is granted by the Principal.

If the winner is of the junior year, he can only receive the reward of the junior year.

(2) The B.A. Examination in the B. Course in Physics and Chemistry. The candidate's age must be under 23 years.

The number to be admitted each year is limited to 40. Six vacancies are reserved for candidates nominated by the Government of Burma and three vacancies for candidates nominated by the Government of Bengal. Candidates from Burma and Assam must apply for nominations to the Directors of Public Instruction of their respective Provinces. Application for admission with registration fee of Rs. 1 must reach the Principal not later than the 15th of May, and the session commences on the first Monday in June.

The College course is completed in four years. It includes 2½ hours' work daily in the workshops for the first three years or until the student has passed the F.E. examination; the fifth or last year is spent on works in progress.

The tuition fee for this Department is Rs. 10 per mensem during the four years of instruction in class, no such fee being charged to any student after the completion of his theoretical course. The messing fees for those who reside upon the premises are,—for Christians, Rs. 21 *plus* Rs. 2 for rent and Re. 1 for electric lighting; for natives Rs. 9 *plus* Rs. 2 for rent and Re. 1 for electric lighting.

Scholarships.

For the present one Junior Scholarship of the value of Rs. 20 a month, three of Rs. 15 a month, and six of Rs. 10, tenable for two years, will be given annually to students entering the first-year Engineer Class, who do not already hold University Scholarships. The Scholarships will be awarded by the Director of Public Instruction on the last day of June to the following classes of students in order :—

Senior Scholarships of the same number and value will be competed for at the annual examination held in May for promotion of students from the second to the third-year class.

A gold medal will be awarded to the student who gains the highest marks in Mathematics at the examination for the B.E. degree. The holder of this

* Except those who passed in the 3rd division.

medal will be styled the "Ambika Charan Chaudhuri Medallist." A silver medal will be awarded to that candidate at the L.E. and B.E. examinations who, not having won the gold medal, obtains the highest number of marks.

On the result of the University examination for degrees and licenses, two Graduate Mining Scholarships* of Rs. 50 a month, tenable for two years, may be awarded, and a number of Graduate Scholarships of Rs. 50* a month, tenable for one year, varying in number according to the number of Mining Scholarships held during the year, will also be awarded provided that the total number of scholarships, in the two classes together, does not exceed ten at any one time. The one-year scholarship-holders must serve continuously during that period in practical work under the supervision of the Public Works Department, and to the satisfaction of those under whose orders they may be placed. The Mining Scholarships would be tenable on a Mine approved by Government, and would be payable monthly on a report that the holders continued to work satisfactorily under the orders of the Mine Superintendent. The two years' service will be reckoned as one year on practical work under the supervision of the Public Works Department. Each of these years will extend over a session of nine months' service in a Mine, and three months' training in assaying, either under the Superintendent of the Mine or in the Sibpur College, as may hereafter be determined. Three Scholarships of the value of Rs. 50 per mensem, tenable for one year, will be awarded to the passed B.E. students who are selected to undergo a course of practical training under the Sanitary Engineer.

The Government of India guarantees each year one appointment in the Superior Provincial Service of the Public Works Department to a student of this College who is a statutory native of India.

HISTORY.

HISTORY OF INDIA.

ADMINISTRATION AND PROGRESS OF INDIA UNDER BRITISH RULE.

A text-book on the subject is in course of preparation.

GEOGRAPHY.

No text-books have been recommended or proscribed.

Under section 3, clause (b), every school that intends to undertake instruction in Geography for the Matriculation Examination is required to possess the apparatus mentioned in the following list :—

1. The total cost need not exceed Rs. 150.
1. A measuring tape.
2. A magnetic compass.
3. Squared paper and tracing paper.
4. Clay, dry sand, paper pulp or plasticine for modelling.
5. A globe, not less than 14 inches in diameter, with writing surface, and with lines of latitude and longitude, and outlines only of the land-masses marked upon it.
6. A map of the school locality on a scale of 4" or 6" = 1 mile.
7. A map of the district in which the school is situated on the scale 1" = 1 mile.
8. A map of the Division in which the school is situated on the scale 1" = 4 miles.
9. A map of the Province.
10. A map of India.

N.B. —All these maps should be coloured to indicate the height of the land above sea level.

11. A relief map of India.
12. Maps of India showing the most important distributions, e.g., Temperature and Rainfall, Density of Population, Forest, Pasture and Agricultural land, Minerals, Industries, Railways and Canals, Political Divisions.

13. Physical maps of the continents and of the British Isles.

It is essential that the students should be provided with atlases, or with the necessary hand-maps. Maps for school work should not contain too much detail, or be crowded with names.

11.—The following additional equipment is recommended when it can be provided :—

1. A wet and dry bulb thermometer.
2. A barometer.
3. A rain gauge.
4. A large globe coloured to indicate land relief and ocean depths.
5. A relief globe.
6. Small hand globes for the use of pupils.
7. Hand maps for use in class.
8. A relief map of the Province.
9. A map of the World on Mollweide's equal area projection.
10. A geological map of India.
11. A small collection of typical rocks, in particular those of the Province and of India.
12. A small museum of typical products.
13. The Statistical Atlas of India.
14. A good standard atlas.
15. A Meteorological Atlas.

16. Mill's International Geography.
17. A geographical Gazetteer.
18. Geographical wall pictures.

The total cost of this supplementary equipment need not exceed Rs. 400, and can be reduced if schools will make their own collections of rocks and typical products.

III. 1. Valuable information regarding geographical equipment and all other matters connected with the teaching of geography is to be found in the *Geographical Teacher*, the organ of the Geographical Association, published three times a year, at one shilling a copy.

2. Globes of all kinds are made by George Philip and Son, London, W., and A. K. Johnston, London, and Messrs. Ruddiman, Johnston, London.

Small hand globes of German make can be obtained through the Calcutta School Book Society for about a rupee each.

3. The "Comparative" series of large wall maps of the continents published by George Philip and Son is good and up to date; so also are the Orographical wall maps published by Edward Stanford. Messrs. Ruddiman, Johnston publish a series of smaller wall maps which includes maps of India illustrating various distributions.

Messrs. Nelson's wall atlases are good. Mr. S. B. Chatterjee publishes District maps; also ordinary and relief maps of the Province.

Babu L. M. Basu, the drawing master of the Dacca Collegiate School, has published good relief maps of Eastern Bengal and Assam and of India.

The Vidal-Lablache French wall maps on strong card board, named on one side, and the same map without names on the reverse, published by Armand Colin, Paris, are good and cheap. They measure 46 inches by 39 inches and can be delivered in Calcutta for Rs. 4 14 each.

4. The hand maps, coloured to indicate relief, published by the Diagram Company, West Barnes Lane, New Malden, Surrey, at one penny each, are the best of their kind.

The uncoloured half-penny maps, showing river systems and a few towns, published by the same Company, are excellent for class use.

The Autograph hand maps, with hill shading in brown, published by Edward Stanford, London, at one penny each, are very good, and are larger than the Diagram Company's hand maps. The 15 inches map of the World on Mollweide's equal area projection is especially to be commended.

5. Wall pictures of considerable artistic merit are published by Messrs. Edward Arnold of Leeds, Messrs. Hachette of Paris, and Messrs. Holzner of Vienna. They cost, delivered in India, from two to three rupees each.

Map lantern slides, and view slides especially prepared for geography teaching, are sold by the Diagram Company for two or three shillings each.

6. The best meteorological atlas published in Britain is Bartholomew's and the most recent geographical gazetteer in English is that published by J. B. Lippincott of Philadelphia and London.

ELEMENTARY MECHANICS.

The following list of apparatus is prescribed as indicating the approximate requirements of a recognised High School seeking to teach Elementary Mechanics for the Matriculation Examination :—

Plumb-line and Level.

Simple Lever (including brass slotted weights).

Roman Steelyard.

Lecture apparatus for experiments on moments.

George's New Atwood's Machine.

Stop-watch.
 Glazebrooke's apparatus (to demonstrate movement of a body).
 Hick's Ballistic Balance.
 Compound Wheel and Axle
 4 Single brass Pulleys
 2 " " "
 2 Triple " "
 Weston Differential Pulley Blocks ($\frac{1}{2}$ ton).
 16 feet of chain at 6d. per foot.
 Inclined Plane.
 Parallelogram of Forces apparatus.
 Wall Crane.
 Becker's New Physical Balance
 Set of Gramme Weights (200 grams to 1 mgr.)
 2 Composition Ivory Balls.

NOTE.—The above list is not exhaustive, and much of it might be replaced by simpler forms that could probably be made far more cheaply by any clever *mishy* under proper supervision. In most cases, however, it will probably be found advantageous to buy such a set as indicated in the list specially for demonstration purposes, and subsequently to develop simplified duplicates, illustrating the same principles, which the boys should be given opportunity actually to experiment with on their own individual accounts or working in pairs.

(1) English.	(4) History.
(2) Mathematics.	(5) Geography.
(3) Sanskrit and Bengali Translation.	

(b) SETTING PAPERS.

2. Gentlemen appointed to set the examination papers are requested to write in the margin, opposite to each question, the maximum number of marks they intend to assign to it.

3. The examination papers, *in duplicate*, written very legibly on one side only of foolscap paper, are to be sent by post in a sealed and registered double cover to the Registrar at his private residence. No copy of any examination paper is to be retained by the gentleman setting it.

4. The papers set shall be submitted to the Registrar with a certification over the joint signatures of the persons appointed that the papers conform to the prescribed conditions and do not involve a material variation from the average standard.

(c) EXAMINATION OF PAPERS.

5. Examiners will be expected to be present in Calcutta during the examination in the subjects for which they have been specially appointed.

6. Each Examiner shall be furnished with a roll containing the names and numbers of all the candidates to be examined by him, in which he shall enter the total number of marks assigned to each candidate in each paper.

The total number of marks must in every case be a whole number ; if the roll submitted by an Examiner contains fractional marks, it will be returned to him for correction.

7. The Examiners shall mark on each answer paper the marks assigned to each question, as well as the total marks.

8. The Examiners are required to examine the papers of the candidates in the order in which their names appear on the roll and, at the end of each week, to send to the Registrar or to the Head Examiner, as the case may be, the pages of the roll containing the marks assigned to the papers examined. The number of papers examined each week is expected to be fairly proportionate to the total number of papers to be examined within the time prescribed. The attention of the Examiners is especially directed to this rule, and the Registrar is required to report to the Syndicate, after the examinations are over, any case of infraction of this or any other rule.

9. To facilitate the work of re-examination, the Examiners or the Head Examiners, as the case may be, shall keep the answer papers of the candidates arranged in the order in which their names appear on the roll.

In cases in which there is a Head Examiner, the re-examination may be done by the Head Examiner himself or by one or more of the Assistant Examiners at his discretion.

10. The answer papers shall be returned to the Registrar as soon as the work of re-examination is over.

11. Six weeks before the Entrance Examination takes place, the Syndicate shall fix the latest date for sending in marks. The time allowed for the re-examination of answer papers shall be *four* days for 100 papers and under, and *one* day additional for every 25 papers, or portion thereof, over 100, Sundays being excluded.

Where an Examiner has over 100 papers or half-papers to re-examine, he shall send in the marks of these papers by instalments of 100 or less, as the re-examination of them is completed.

If any Examiner fails to send in his marks within the limits of time prescribed for examination and re-examination, the amount of his remuneration shall be reduced by Rs. 16 for each day by which he exceeds that period.

12. Each Examiner shall write his name and the subject of Examination at the foot of every page of his roll.

One paper to be set in this subject.

6. As soon as possible after an examination has been held, the persons who have set any question paper in the examination, and those who are to examine the answers to that paper or any portion of it, and the Head Examiner, if there is one, shall meet to determine the kind or standard of answers to be expected from candidates, and to decide upon a system of marking. Their conclusions shall be embodied in a memorandum to be jointly signed by them and forwarded to the Registrar. If, owing to unavoidable circumstances, any Examiner who has set a paper is unable to attend the meeting, the remaining Examiners contemplated by this Regulation shall meet and transact the aforesaid business.

For this purpose a meeting of the Examiners in each subject shall be held as soon as possible after the close of the examination, at which provisional rules shall be drawn up. After this meeting each Examiner shall look over a certain number of papers (the number to be determined at the meeting) and shall submit them to the Head Examiner for re-examination. A copy of these rules shall be sent to each Entrance Examiner and to the Registrar.

7. Each Head Examiner shall re-examine at least 5 per cent. of the answer papers looked over by each of the Entrance Examiners in his subject, with a view to see whether they are working uniformly according to the method indicated, and shall direct, if necessary, any Examiner to conform to that method.

The re-examination of the answer papers shall be conducted in the following manner :

Every Entrance Examiner shall, as soon as he finishes the examination of about 100 papers, send them with the corresponding pages of his roll to his Head Examiner, who shall examine at least five papers taken at random out of them, and shall give the Examiner any further instructions which may be necessary, or shall return the remaining papers for re-examination, if he is of opinion that the rules have not been complied with. The same course shall be followed with every subsequent batch of 100 papers.

8. The functions of Head Examiners are --

(1) to distribute, in consultation with the Examiners, the marks allotted to a question consisting of several parts over those parts ;

(2) to give general directions, in consultation with the Examiners, as to what should be included within the scope of each answer, and as to how far any particular answer should be dealt with leniently or strictly by reason of the difficulty or simplicity of the question ;

(3) to look over a few of the papers examined by such Examiner immediately after the meeting of Examiners, to ascertain how far the standard agreed upon is being followed, and in cases of deviation from such standard, to give general directions to be more or less strict as may be required ;

(4) to re-examine 5 per cent. of the answer papers examined by each Examiner with the object of seeing whether the standard adopted has been generally and fairly adhered to, but not to insist upon mechanical uniformity.

9. In no case shall the Head Examiner increase or diminish the marks assigned to any paper by an Entrance Examiner without himself examining that paper.

10. In case of a difference arising between a Head Examiner and an Entrance Examiner an appeal shall lie to the Moderators.

11. Every Entrance Examiner must remain in Calcutta as long as his services are required by his Head Examiner.

12. The Head Examiner shall forward to the Registrar by instalments the totalised marks in his subject, with observations on those cases which he may deem worthy of special consideration.

5. The examination papers, *in duplicate*, written very legibly on one side only of foolscap paper, are to be sent by post in a sealed and registered double cover to the Registrar at his office. No copy of any examination paper is to be retained by the gentleman setting it.

6. The papers set shall be submitted to the Registrar with a certification over the joint signatures of the persons appointed that the papers conform to the proscribed conditions and do not involve a material variation from the average standard.

(c) EXAMINATION OF PAPERS.

7. Examiners will be expected to be present in Calcutta during the examination in the subjects for which they have been specially appointed.

8. When the answers to a paper or *half paper* are divided between two examiners, they shall determine, at a meeting, the standard to be adopted, and compare their marks, at a meeting, before submitting them.

9. Each Examiner shall be furnished with a roll containing the names and numbers of all the candidates to be examined by him, in which he shall enter the total number of marks assigned to each candidate in each paper.

10. The Examiners shall mark on each answer paper the marks assigned to each question, as well as the total marks.

11. The Examiners are required to examine the papers of the candidates in the order in which their names appear on the roll and, at the end of each week, to send to the Registrar or to the Head Examiner, as the case may be, the pages of the roll containing the marks assigned to the papers examined. The number of papers examined each week is expected to be fairly proportionate to the total number of papers to be examined within the time prescribed. The attention of the Examiners is specially directed to this rule, and the Registrar is required to report to the Syndicate, after the examinations are over, any case of infraction of this or any other rule.

12. To facilitate the work of re-examination, the Examiners or the Head Examiners, as the case may be, shall keep the answer papers of the candidates arranged in the order in which their names appear on the roll.

If any Examiner fails to send in his marks within the limits of time prescribed for examination and re-examination, the amount of his remuneration shall be reduced by Rs. 16 for each day by which he exceeds that period.

15. Each Examiner shall write his name and the subject of examination at the foot of every page of his roll.

3. As soon as possible after an examination has been held, the persons who have set any question paper in the examination, and those who are to examine the answers to that paper or any portion of it, and the Head Examiner, if there is one, shall meet to determine the kind or standard of answers to be expected from candidates, and to decide upon a system of marking. Their conclusions shall be embodied in a memorandum to be jointly signed by them and forwarded to the Registrar. If, owing to unavoidable circumstances, any Examiner who has set a paper is unable to attend the meeting, the remaining Examiners contemplated by this Regulation shall meet and transact the aforesaid business.

For this purpose a meeting of the Examiners in each subject shall be held as soon as possible after the close of the examination, at which provisional rules shall be drawn up. After this meeting each Examiner shall look over a certain number of papers (the number to be determined at the meeting) and shall submit them to the Head Examiner for re-examination. The same course shall be followed with every subsequent batch of 100 papers.

5. The functions of Head Examiners are—

(1) to distribute, in consultation with the Examiners, the marks allotted to a question consisting of several parts over those parts;

(2) to give general directions, in consultation with the Examiners, as to what should be included within the scope of each answer, and as to how far any particular answer should be dealt with leniently or strictly by reason of the difficulty or simplicity of the question;

(3) to look over a few of the papers examined by each Examiner immediately after the meeting of Examiners, to ascertain how far the standard agreed upon is being followed; and in cases of deviation from such standard, to give general directions to be more or less strict as may be required;

(4) to re-examine 5 per cent. of the answer papers examined by each Examiner with the object of seeing whether the standard adopted has been generally and fairly adhered to, but not to insist upon mechanical uniformity.

6. In no case shall the Head Examiner increase or diminish the marks assigned to any paper by a Matriculation Examiner without himself examining that paper.

7. In case of a difference arising between a Head Examiner and a Matriculation Examiner an appeal shall lie to the Moderators.

7. Examiners are requested to be present during the examination.

8. Rolls containing the names of the candidates will be supplied to the Examiners, who are to enter in them the total marks awarded to each candidate. The Examiners are also required to mark on each answer paper, the marks assigned to each question, as well as the total marks. The total number of marks must, in every case, be a whole number; if the rolls submitted by an Examiner contain fractional marks, it will be returned to him for correction.

9. All marks are to be sent in on or before the 3rd Saturday after the end of the examination.

10. The answer papers of the candidates, after they have been examined, are to be returned to the Registrar.

INTERMEDIATE EXAMINATION IN ENGINEERING AND B.E. EXAMINATIONS.

GENERAL RULES.

The examinations shall be conducted in accordance with the following General Rules:—

1. No question shall be asked which would require an expression of religious belief on the part of the candidates; and any answer or translation given by any candidate shall not be objected to on the ground of its expressing peculiarities of religious belief.

2. Candidates shall give their answers in their own words as far as practicable in all subjects. *This rule shall be inserted as a head note in every question paper.*

3. Examiners in setting papers shall be guided, as to the scope of the subject of examination, by the syllabus prescribed in the Regulations, and as to the standard and extent of knowledge required, by the books, if any, recommended from time to time for such purpose.

4. No copy of any examination paper is to be retained by the person setting it.

5. The papers set should be such as candidates can reasonably be expected to answer within the time allotted. The questions in each subject should be fairly distributed over the whole course in that subject, and should conform to the Regulations laid down for the particular examination; there should not be any marked change of standard from year to year, but it is not required that the same type of questions should be set every year. Examiners shall always allow some choice of questions.

6. Questions should be so framed as to encourage good methods of work and teaching, and to discourage unintelligent memorizing.

7. The two Examiners appointed to set a paper in any subject shall be jointly responsible for the paper. The paper shall be divided into two halves, distinguished as the "First Half" and "Second Half." The answers to the First Half shall be looked over by one of the Examiners, and those to the Second Half by the other. The Practical Examination shall be conducted by the two Examiners jointly.

8. The Registrar shall, as soon as the results have been tabulated, prepare a list of the candidates who have failed in one group of subjects only; in order to guard against any possible inaccuracy, their papers in the subjects of the group in which they have failed shall be re-examined on the method of marking already adopted, and without any alteration of the standard.

9. Examiners, in giving marks, shall take the correctness of the language of the answer into account.

10. Examiners, in giving marks, shall consider whether the answers indicate an intelligent appreciation of the subject or are merely the result of unintelligent memory work.

11. In connection with all practical tests at the Intermediate and Bachelor of Engineering Examinations candidates shall submit to the Examiners note books, duly certified by the Professor, of the practical work, done by them during the College session. The Examiners may, if they think proper, take these note books into account when awarding marks for such practical tests.

In answering any paper a candidate may use a slide rule, unless this has in any case been expressly forbidden by the Examiners setting the paper. Candidates who wish to take advantage of this permission shall bring their own slide rule. Mathematical tables will be provided when required.

12. Examiners are requested to place opposite each question in their papers the full number of marks assigned to it.

13. The papers should be delivered by the Examiners in person to the Registrar or sent to him at the Senate House in a sealed double cover on or before a date to be fixed by the Syndicate.

14. Rolls in which the marks awarded are to be entered in the Examiner's hand-writing will be supplied by the Registrar on the day of examination, and the answer-papers duly marked should be returned to the Registrar along with the completed rolls.

The total number of marks must, in every case, be a whole number. If the roll submitted by an Examiner contains fractional marks, it will be returned to him for correction.

15. The rolls containing the results of the examination must be submitted on or before a date to be fixed by the Syndicate.

16. Examiners will be good enough to retain a duplicate of the roll and bring it with them to the final meeting of Examiners for the purpose of checking the marks.

17. As soon as possible after the tabulation of the results, the entire body of Examiners shall meet and draw up a report on the examination as a whole for the consideration of the Syndicate. If the Examiners are of opinion that, in the case of any candidate who has not attained the standard laid down in the Regulations for a Pass, consideration ought to be allowed by reason of his high marks in a particular subject or in the aggregate, they shall make a recommendation to the Syndicate, under Section 18, Chapter XXV of the Regulations.

18. As soon as possible after the publication of the results of the examination, the Examiners in each subject shall meet together and draw up a report upon the examination in that subject for the consideration of the Syndicate. The reports so submitted shall ordinarily embody such remarks and recommendations, suggested by the work of the candidates, as it is thought desirable in the interests of education to communicate to the Heads of Colleges.

19. Examiners are required to keep the results of the examination and the marks assigned to candidates *strictly secret*.

20. Examiners will be expected to be present at the Senate House, Calcutta, during the examination in the subject for which they have been specially appointed.

21. The answer papers shall be returned to the Registrar as soon as the work of re-examination is over.
